Ellie the Elephant's Loo Adventure

Ellie the Elephant was playing with her building blocks when she felt a funny wiggle in her tummy.

She stopped and said, “Uh-oh! I need to do a wee-wee!”

Ellie trumpeted loudly and hurried to the loo, just like Mama Elephant showed her.

She climbed onto her little elephant potty and smiled proudly.

“Psssss!” went her wee-wee, and Ellie clapped her big ears with joy.

When she was all done, she wiped with tissue and flushed with a loud woosh.

Mama gave her a big sticker shaped like a peanut.

“You did it, Ellie! Big girls use the loo!”

Ellie danced around, proud and clean. Now she uses her potty every day, with no more accidents at play!
